Dear Sponsor

Looking for an opportunity to advertise your business and support your local community?

Grimsbys Amateur Baseball Association (GABA) is currently accepting sponsorships for the 2012 Baseball Season. GABA provides a terrific softball program to over 350 local boys and girls' ages 5 to 20.

Our vision is to foster a lifelong love of baseball and be recognized as a 1st class summer sports program in Grimsby. Your sponsorship will help achieve this vision by assisting with league costs that allow us to expand our program to include even more participants as well as offer various clinics to improve their baseball skills such as pitching, catching, fielding, base running and umpiring.

As a 2012 GABA Sponsor you will receive:

- A link on grimsbybaseball.ca to your company website
- Invitations to attend Special Events such as Opening Day and Championship Day
- A token of our gratitude for you to display in your place of business

Sponsoring GABA is easy to do. Simply fill out the attached form, send a cheque for full payment (which may be post-dated to February 29, 2012). If you prefer someone picks up your sponsorship please e-mail info@grimsbybaseball.ca or call 905-309-7018.

We hope you will take advantage of this opportunity that not only benefits your business but also partners you with our wonderful group of young men and women.

Thank you for your time and support.

Best regards
